Family At-Home Devotional • Lord's Prayer Series: Week Three

**Luke 11:2-4**

## Story Time

Jesus was teaching his friends to pray. So far he had taught them to say, "Father, your name is holy. Your kingdom come."

"The next part," Jesus said, "goes like this: Give us our daily bread."

James closed his eyes and smiled. "Mmm. I love bread."

Jesus laughed. "Yes, but 'daily bread' means more than just food."

"Like what?" asked Susanna.

Jesus said, "Daily bread is everything we need to live: food, clothes, houses, and people who love us."

"But not everyone has those things," Mary said sadly.

"I know," Jesus answered, just as sadly. "So every time you ask God for daily bread, you can remember that God wants you to help others get their daily bread, too!"

"Is that the end of the prayer?" asked Peter.

"Nope," said Jesus. "There's still more!"

1

### HIGHS 'N LOWS

What was a high point of your day? What was a low point?

2

### FAITH

Is it easy to trust that God will give you everything you need in life? Why or why not?

3

### BLESS

May God fill your stomach, heart, mind, and soul with everything you need.

### Weekly Challenge

Make a list with your family of things that are "needs" (food, clothing, love, etc.) vs. things that are "wants" (cell phones, tablets, Netflix, etc.) Try to fast from one "want" item for the week. Talk about how easy or hard it is to do and what you learned from the experience.

### For the Littles

What is your favorite kind of bread to eat?

**The joy of the outdoors serves as “daily bread” for some people. Imagine you’re in this beautiful woodland scene. Color it as brightly as you like!**

God provides for humanity’s daily needs. Our world fights to deprive some of their basic needs. We are invited to work with God to ensure all of humanity’s needs are met.

### **BRING THE FUN, BRING THE YUM!**

With an adult helper, bake some bread! There are plenty of recipes online. Share the bread you made with a friend or neighbor. Or maybe your church needs volunteers to bake bread to deliver to people’s homes for communion or other reasons. While you’re baking actual bread, think of all the other kinds of “bread” God gives us so we can be happy and healthy!
