

## Did'ja Know?

Fire has often been used in a worship setting. There's something about a burning flame that makes us think about and experience God. What do you think about fire?

## Acts 2:1-4, Galatians 4:1-7

Jesus' friends were in Jerusalem for a celebration. While they were together, something amazing happened!

**WHOOSH!** A big wind blew through the room.

**CRACKLE!** Little flames danced in the air above their heads.

A crowd heard the sound. They gathered around Jesus' friends.

"What happened?" they asked.

The people in the crowd were from all over the world. They spoke lots of different languages. Jesus' friends started telling them about Jesus.

A woman said, "They're speaking my language!"

"No," said a man. "They're speaking my language!"

Everyone in the crowd heard the good news about Jesus in their own language.

"It's a miracle!" someone shouted.

"What does it mean?" cried another.

It means that God's family is full of all different kinds of people. We are all God's children!

## Nice Quote!

To care about your outward appearance is important, but what's more important is to have a beautiful soul.

— Roy T. Bennett

## Try it At Home

With an adult helper, set a time to have an outdoor campfire and tell stories. Think about times when God was there for you, even when you didn't know it at the time.
