

## Open Up To Worship

The man in today's story had his sense of hearing restored. Think about all the senses you use in worship as you do this activity.

Draw lines from some of the things that may happen in worship to the parts of the body people use to enjoy them. Try to let your senses be "open" to many different things in today's worship.

Pentecost 16

- Today is the **16<sup>th</sup> Sunday** after Pentecost.
- Pentecost is the **longest season** of the church year.
- Jesus uses us to **continue his work** during Pentecost and always.
- **Faith and action** work together.

## Hear That?

Add your favorite noisemaking creatures to this tree. After worship see who can imitate them best.
