

Has anyone talked about **missions** during worship today? During Epiphany, we recognize that God loves the whole world. The **magi** came from far away to honor Jesus. As a church, we continue to share God's message of **love and service** with neighbors close and far away. Use the maps below to mark cities or countries where your church has missions. Don't forget to mark your own city!

After the service, see if you can find a bulletin board with missions on it. If not, ask your pastor what your church does to share God's word with people around the world.

When you feel sad or scared or lonely, make the sign of the cross with your hands to remember that God cares for you too. Follow the motions below to make the cross.

Joy in Any Language

Have you ever traveled a long distance to see someone? Maybe even to another country? Not everyone speaks the same language, but we all share the same joy that God sent us Jesus. Read some of the ways that people say "Jesus loves you" in another language.

The earliest reference to Epiphany as a Christian feast was in A.D. 361.
